Subject: prep for CFAC outreach

Hi Mike,

Prep for /17 & 4/19 meetings and CFAC outreach this week- Attached is an updated draft of the CFAC communication strategy to reflect the availability of the RI data, draft summary report, CIP, and the public meeting notification.

The talking points were developed from our past media prep and most have been vetted and approved for release. I'll bring you a hard copy of this when we meet this evening before the Columba Falls City Council Meeting. I will also bring along the sign in sheets, CIP copies, and CAG info.

Let me know if anyone has questions or feedback. Media, elected officials, and public agency stakeholders are confirmed for meetings. This will be a nice season to be in Columbia Falls. Drive safe!
